THE WEEKLY DIGEST

Volume 28—Number 4 Week of July 25, 1954

In TWO Sections Section TWO

INDEX TO VOLUME 27

January Through June 1954

As you know, items in QUOTE, arranged alphabetically according to subject matter, are regularly assigned an index number. In our semi-annual index, the first numeral in each reference indicates the issue of QUOTE, the second numeral refers to the location of the item within that particular issue, according to its index number. Thus, in the first column of this index, **"Ability—8-8;"** tells you that an item on Ability will be found in the eighth issue of QUOTE under index number 8.

One or more letters, following an issue number, refers to material in regular departments. For example: **"Advertising—3-IB;"** indicates that an item on Advertising appears in the column *In Brief* in issue number 3. The reference to **"Ancestry—18-Wa;"** means that an item on that subject appears in the *Washington* column in issue 18. The reference to **"Absent-mindedness—17-n;"** means that an item on that subject will be found in the regular *Good Stories* section of issue 17 under index letter n.

Quotations in the section *May We* QUOTE *You On That?* **are also** numbered consecutively. In the index, a reference such as **"Armed Forces—21-1Q;"** refers to a quotation on that subject in the 21st issue, numbered one in the *May We* QUOTE . . . section. When the Q is followed by the letter W, as under **"Peace—1-Q-W;"** a reference is made to the special "Quote of the Week" appearing in the *May We* QUOTE . . . section. When the letter t follows the Q, as in the reference **"Taxes—5-1Q-t;"** it indicates the special *Quote-ette* feature in issue 5. A complete list of department abbreviations appears below:
